Wadankaan waa dowlad oo dimuqraadi ah oo waan is xushmeeynaa. Bulshada weey isla wada xaajoodaan iyo go'aanka weey isla wada gaaraan. Marmar weey dhacdaa in wax la isku khilaaf, laakin waxa la isku daynaa in la isla wada xaliyo. Dhammaan dadka go'aanka waa ka mid yihiin.

Wadankaan waa dowlad oo diktatoori ah dadka oo dhan waxaa u taliyo hal qof. Go'aankasto halkaas qof oo taliyaha ah kaliya baa wax ka badalikaro.

Wadankaan waa dowlad la'aan oo qofkasto sidoo rabo buu suubiya. Wax sharciyo oo muuqdo oo lagu dhaqmaayo ma jiro iyo waa wadan oo maamule la'aan.

Wadankaan waa wadan *kacaan* lagu suubiyay. Dadkii waagi hore wax go'aamin jiray hada wax ma go'aaminkaran. Maamuliyaashi hore waxey yihiin awood la'aan.
